

Summer Bus Trip

It's almost July and you know what that means. Our annual bus trip is just six weeks away. Mike Mereness has worked hard to assemble six outstanding layouts in the Cincinnati area for us to visit. Mike has not provided me a list, but one of them is Gerry Albers. Mike says we have visited 3 or 4 before, but it's been a while and there have been changes. Two we have not seen before. Most of these have either been featured in "Greatest Model Railroads", or other national publications.

We still have seats available, so if you don't want to miss out give me a call or an e-mail, followed up with a check. Bring your wife or significant other so they can see what your layout will look like when you are finished!

At \$30.00 you can't beat it. The BoG decided last year that we would have to raise the cost after holding it at \$25.00 for as long as I can remember, and that includes lunch and water on the bus. I have seen other divisions offer similar trips starting at \$40.00 and up.

So come on out and join us on August 19. We meet at Sycamore Hospital South at the corner of South Gebhart Rd and Rt. 725 in Miamisburg, OH. The bus leaves at promptly at 8:00, so be there by 7:30 so you won't be left out.
